April 2013

The boys and girls worked very hard to finish their entry for the Discover Primary Science and Maths Award 2013.

All classes were involved in the Greenwave project during April. They looked for signs of Spring in the local environment and recorded temperatures and wind speed.

Fifth Class participated in **Local Clean Up Day** as part of the Tidy Towns Initiative. We met members of the Tidy Towns Team outside the church and helped them to clean up.

**Fifth and Sixth classes** participated in a Maths Eyes Trail. A special thanks to Ms. Heavin for organising the event!

**Hot Dog Day** took place on Thursday, the 26<sup>th</sup> of April. Thanks to the parents for coming in to help out.
